

## WG MEETING IN SHEFFIELD

### LOGISTIC INFORMATION:

The MC full members and the substitutes replacing the full members will have their expenses paid (for two nights maximum) but remember that COST will cover a maximum of 120 euros per night including breakfast (equating to about £104-105 at the moment)

YOU MUST BOOK NOW to guarantee that you don't go over this rate as I could not reserve the rooms for you and firm up the price.

1) [Leopold Square](https://www.leopoldhotel.co.uk/) Hotel 4\*. As I write there are 40 rooms available at a £ 72.50 per night for a double including breakfast. <https://www.leopoldhotel.co.uk/>

I actually used to live in the adjacent building in that square and it is one of the nicest bits of the city. The longer you wait the higher will the rate be and availability is not guaranteed either.

2) Mercure St Pauls Hotel 4\*. Fantastic location. I managed to reserve 10 rooms BUT ONLY for the night of the 1st of July thinking of those people that will only stay one night (1st July). However if you quote 010718SHU you will not only access the special rate of maximum 120 euros but may also be able to stay there a second night. For this hotel, if you don't book before June 1st, these 10 rooms will be released and the special rate will no longer be available. I have been advised to advise you to quote the reference number above by calling the number 0044 (0) 114 278 2000 and select option 1 for reservations. <https://www.accorhotels.com/gb/hotel-6628-mercure-sheffield-st-paul-s-hotel-spa/index.shtml#section-description>

3) Jury's Inn 3\*.

[https://www.jurysinns.com/hotels/sheffield/?utm\\_source=google&utm\\_medium=local](https://www.jurysinns.com/hotels/sheffield/?utm_source=google&utm_medium=local) It's 3 stars but I found this hotel very nice. At the moment a double bed and breakfast is around £ 76 per night. I am unable to check how many rooms are available but I suspect a similar number as the Leopold Square.
